

## Did you know...

Students in CKSD who **lack a fixed, regular, and adequate** nighttime residence may qualify for services provided by the school district? Are you and/or your children...

- **Doubled-up or sharing housing** due to a loss of housing, economic hardship, or a similar reason?
- **Living in a motel, hotel, campground, car, or other similar location** due to the lack of alternative adequate accommodations?
- **Living in transitional settings** such as emergency or transitional shelters?

If any of the above situations apply to your family, your child may qualify for services such as free meals, transportation, and additional tutoring. Children in temporary or short-term foster care may also qualify. Please contact the staff at your child's school for more information.
